For the Flower Show.
The ladies in charge of the Flower Show are already at work preparing for the Spring show which will be held in February.
For the exchange plants are being potted. The idea is to pot as many plants as possible and to exchange your surplus of any kind with others for some plant that you do not have. This is a good idea and no doubt there will be considerable swapping of plants at the next show.
It is not yet too late to sow Sweet Peas. The seed should be put from 4 to 6 inches deep, giving some slight protection. They will thus become well rooted and will grow off at the first opening of spring and will yield an abundance of blooms.
The Narcissus makes a beautiful flower, superior in the estimation of many, to the Chinese Lily, and it is not yet too late to put out some of these.
The Hyacinths are among the first flowers of importance to bloom in the spring, and then there are the beautiful Tulips and many others. Not all of these may be available for the flower show, but they all make for the beauty of the home and it is hoped many of our people will join in and help make Cheraw a veritable flower garden the coming spring.

WAR UPON PAIN!
Pain is a visitor to every home and usually it comes quite unexpectedly. But you are prepared for every emergency if you keep a small bottle of Sloan's Liniment handy. It is the greatest pain killer ever discovered. Simply laid on the skin—no rubbing required—it drives the pain away. It is really wonderful.
Mervin H. Soister, Berkeley, Cal. writes: "Last Steurday, after tramping around the Panama Exposition with wet feet, I came home with my neck so stiff that I couldn't turn. I applied Sloan's Liniment freely and went to bed. To my surprise, next morning the stiffness had almost disappeared, four hours after the second application I was as good as new." March, 1915. Will Close December 4.
San Francisco December 28.—In response to repeated rumors that the Panama-Pacific International Exposition will be continued after December 4, the official closing date, President Charles C. Moore, of the Exposition, to-day made a definite and conclusive announcement that the Exposition will not remain open after the 4th of December.
HELP YOUR LIVER—IT PAYS
When your liver gets torpid and your stomach acts queer, take Dr. King's New Life Pills and you will find yourself feeling better. They purify the blood, give you freedom from constipation, biliousness, dizziness, and indigestion. You feel fine—just like you want to feel. Clear the complexion too. 25c. at druggists.
Representative Wolfe, of Anderson county, has announced that he will at the next session of the legislature introduce a bill providing for a divorce law in this state. He also announced that he will introduce a resolution providing for a constitutional amendment abolishing the death penalty except in cases of criminal assault.

Decimals and Duodecimals.
Herbert Spencer offered a characteristically original system of reckoning. He clung to the duodecimal system, mainly because twelve can be divided by three and four as ten cannot. But he suggested that all the advantages of both systems might be combined by making twelve the basis of calculation, inventing two new digits to take the places of ten and eleven and making twelve times twelve the hundred. Spencer scornfully remarked that the decimal system rests solely on the fact that man has ten fingers and ten toes. If he had had twelve "there never would have been any difficulty."—London Chronicle.

When a Man Wants Too Much.
A fine old specimen of southern manly adrovered the ring. The caller was informed that the lady of the house was out. "Is yo' lookin' for rooms?" he was asked. He replied that he wanted a room with modern conveniences, such as hot and cold water, private bath, steam heat, etc.
"Yaas, sub. Well, it's dis way: Ev'y-thing yo' mention is used by de fambly, an' anybody dat teks a room in dis house am expected to git what yo' speak of on de outside."—Richmond Times-Dispatch.

Catarrh and Colds To Be Rid of Relieved
Is a great achievement. Most people would be well and happy were it not for catarrh. It is worth ten years of any one's life to learn how to get rid of catarrh.
PE-RU-NA
will show you, much quicker than any one could tell you, how to get rid of catarrh.
THE PERUNA CO., Columbus, Ohio
Mrs. Emma Gannon, 107 E. South St., Kewanee, Ill., writes: "For fifteen years I had catarrh of the head and stomach. I could hardly walk. My attention was called to 'The Ills of Life.' I read it through. Then bought a bottle of Peruna. I am entirely well now."
